Ongoing Auctions

There are certain auction houses specialising in cars that operate daily sales across many sites in the UK so it's a good idea to check out their websites for further details of auctions in your area.

For general goods such as electronics and household equipment, certain Police forces operate their own Ebay shops where you can obtain lost and found property that hasn't been re-united with it's owner. You'll also find some Police surplus equipment such as office furniture and machines and other goods which they no longer require.
