Police Force Managed Ebay Shops

For general goods such as electronics and household equipment, certain police forces operate their own Ebay shops where you can obtain lost and found property that hasn't been re-united with it's owner. You'll also find some police surplus equipment such as office furniture and machines and other goods which they no longer require.

Please note: During the pandemic, Christmas and New Year, a reduced number of forces are actively managing their Ebay shops. We expect this to improve over the coming weeks.
