## Police Force Managed Ebay Shops

---

For general goods such as electronics and household equipment, certain police forces operate their own Ebay shops where you can obtain lost and found property that hasn't been re-united with it's owner. You'll also find some police surplus equipment such as office furniture and machines and other goods which they no longer require.

Please note:	During the pandemic, a reduced number of forces are actively managing their Ebay shops. We expect this to improve over the coming weeks.
